White as white, light as light—with tender texture and delicate flavor: that's Clabber Girl's Snow Cake. A pretty picture when finished and a cake really to be proud of. having baked yourself.

SNOW CAKE Yield: 2 8-inch layers 114 cups beet or cane sugar

21/2 cups sifted cake flour 2!2 teaspoons Clabber Girl Baking Powder ½ teaspoon salt 1 teaspoon vanilla
1 cup milk
3 egg whites % teaspoon finely grated lemon rind 3 egg whites Sift together flour, baking powder, and salt. Crush together

with fork the lemon rind and 1/2 cup of the sugar; add, to. shortening; beat together until fluffy. Beat in gradually 1/2 cup sugar and the vanilla. Beat in gradually 1/4 cup milk. Beat in remaining ½ cup sugar. Stir in by hand or at lowest speed with electric mixer, the sifted dry ingredients and remaining 34 cup milk, by fourths, alternately, blending well after each addition. Beat egg whites until stiff but not dry. Stir quickly into batter. Bake in two oiled or greased 8-inch layer cake pans at 350°F. (moderate oven) about 30 minutes. Fill and frost with Seven Minute Frosting and garnish with shredded coconut between layers and on top.

It shows concretely how effective is the military air camera today the camera has become as an cycle witness from the air. The exhibit, buildup in another country through photo reconnaissance

These questions have been raised by President Eisenhower's proposals at Geneva for the exchange of military blueprints and aerial in
SHOPPING. DAYS

It shows concretely how effective is the camera has become as an cycle to the correct addresses of the following named registrants of the Local Board:

Delton Dean Carruth, last known addreress, % Leroy Brown, Box interdepartmental committee, has interdepartmental co negie International Center here. Davis are seeking information reals at Geneva for the exchange of military blueprints and aerial inspection as "the gateway to a reduction in disarmaments."

The issue remains very much alive. Many government figures are privately hopeful the Russians will in time agree to the proposals, perhaps when supplemented by further suggestions on their part.

The President's "open skies for peace" plan is strikingly gramatized in an exhibit of aerial photography now on display in the Care.
